SYBARITE *Sandtravies*

"When you look deeply, you see the pain and suffering in the world, and recognize your deep desire to relieve it. You also recognize that bringing joy to others is the greatest joy you can have, the greatest achievement. In choosing to cultivate true power, you do not have to give up your desire for the good life. Your life can be more satisfying, and you will be happy and relaxed, relieving suffering and bringing happiness to everyone."

-Thich Nhat Hanh

Sybarite Sanctuaries mission is to provide its clients with not only an extensive roster of available retreat centers and different types of retreats across the globe, but as well the opportunity to have their experience custom fit their every desire. We are experts in our field - travel agents, hospitality agents, event producers, educators, liaisons, organizers and hosts all in one. We bring your fantasy vision to reality. Relax and let us carry your luggage.

Launched in 2013, Sybarite Sanctuaries is offered as a service to those who seek retreat for any and all purposes – corporate, spiritual, counseling, educational, art related etc. The site and all the work that goes into it are offered in the spirit of seva, selfless service. It is our hope that retreatants will find our services helpful in their search to manifest a retreat that meets their exact needs, and to allow us to organize all the logistics for them - from travel to hospitality, to meals, to scheduling – so that they can relax and enjoy the realization of their fantasy. In addition, our hope is that retreat centers and retreat leaders will find our services helpful in connecting with those who seek to retreat.

Our relationships are our bonds, and therefore we are committed to spending personalized time with each individual organizing every detail of their vision. We promise to be there every step of the way, side by side, listening and manifesting for our clients.
